

Energizing Our Team Through Online Sports

30 October 2025

From July to September, our Shenzhen Office rolled out an engaging online sports program using the YuDo Run app. The initiative encouraged employees to stay active, track their progress and connect with colleagues through virtual fitness challenges.

With 300 enrollments and 230 active participants, the program was a resounding success. It not only promoted physical wellness but also reflected Top Form Core Values – Courage, “Can-Do” Attitude and Collaborative.

A heartfelt thank you to everyone who took part and made it a meaningful experience!
