

The Annual Dinners were successfully held last week

28 February 2025

Our Hong Kong & Shenzhen offices, Nanhai and Longnan facilities hosted annual dinners last week. The events featured wonderful performances, exciting lucky draw that brought so much joy to everyone.

Mr. Kenneth Wong, Managing Director and Mr. Kevin Wong, Chief Executive Officer led the management team to perform the dragon dance, symbolizing unity and inspiring everyone to strive for a bright future together.

A big thank you to all colleagues for their participation, the organizing committees for months of preparation, and everyone who rehearsed in their free time to deliver an unforgettable evening!
