

Top Form launched Halal Bihalal at the end of Ramadan in our facility of Indonesia

14 May 2024

Halal Bihalal is a unique Indonesian tradition event which is celebrated after the end of the fasting period. It aims to strengthen bonding between work units and serves as the opportunity to forgive each other.

Organized by employee representatives from various functions, the celebration included preaching, lunch gathering, music performance and festive gift distribution. Employees asked for forgiveness from each other by shaking hands at the end of the activity.
